4. The following step in the process gives the ability to order plug-and-play Android player. Select the amount of players you would like to add to your order and press 'Include TDM playback device'. In case you do want to add a player you can press 'Continue'.

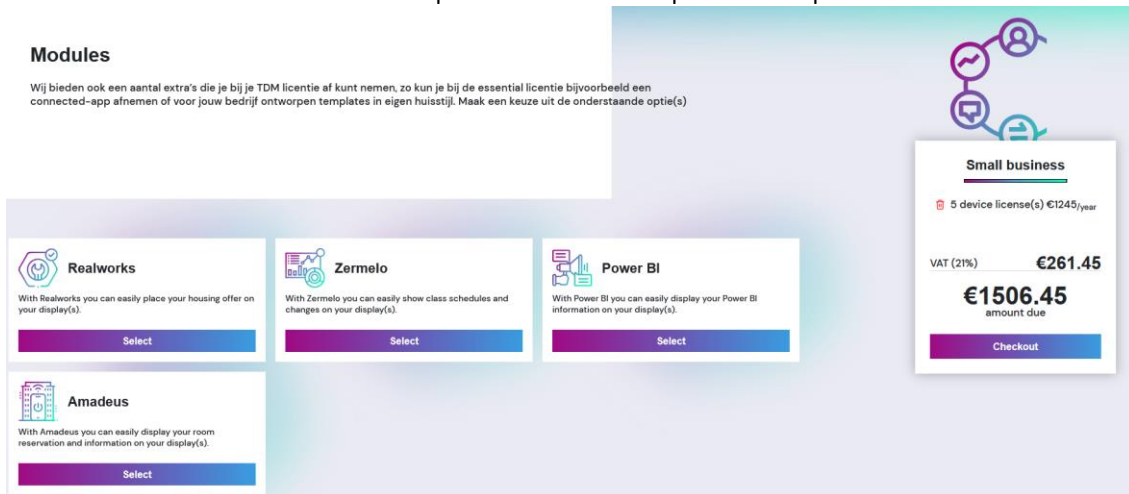

Number of devices

Choose the number of devices you want to provide with TDM here. You need 1 license per device. We support most Smart TVs, Windows devices and Android devices. Not sure if your device is supported? Please check the [supported devices page](#) or [contact our support department](#) if you need further assistance. Don't have a Smart TV? Then you can buy a TDM playback device that you place behind your TV. You will receive this "Plug-and-Play", as simple as that. Even the necessary cables are included. The costs of a TDM playback device are € 90 per piece.

7. You will be redirected to a registration/login page. In case you are a new customer you can create a new account, you can login if you have a TDM5 account already. After this press 'Next step' to continue.

The screenshot shows the TDM Digital Signage registration and login interface. The top navigation bar includes the TDM logo, a 'Log in' button, a 'Billing' button, a 'Pay' button, and a 'Done' button. The main content area is divided into two sections. The left section, titled 'Log in to an existing account', contains fields for 'Email' and 'Password', a 'Log in' button, and an 'Or' separator. Below this is the 'Register a new account' section, which includes fields for 'Naam', 'Email' (pre-filled with 'tdm-signage@example.com'), 'Password', and 'Bevestig wachtwoord', followed by a 'Register' button. The right section, titled 'Small business', displays a summary: '5 device license(s)' for '€1245/year', a link to '< Include TDM playback device', 'VAT (21%)' for '€261.45', and a total '€1506.45 amount due'. At the bottom right is a 'Next step' button.

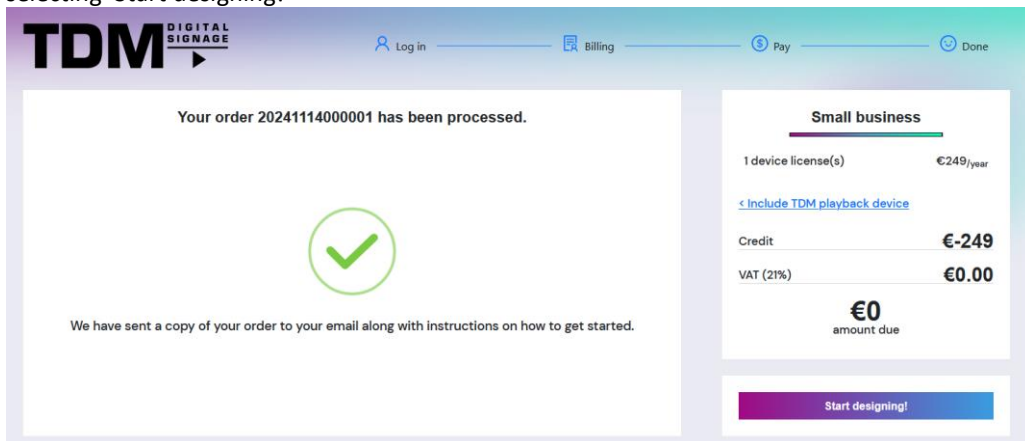

8. The following page will request your billing information, please enter the information and press 'Next step' to continue.

The screenshot shows the 'Update your billing information' page. The top navigation bar is identical to the previous page. The main content area has a title 'Update your billing information' with radio buttons for 'Corporation' and 'Individual' (selected). Below are several form fields: 'Naam' (pre-filled with 'TDM Support'), 'Street name' (pre-filled with 'Pallasweg'), 'Number' (pre-filled with '14'), 'Postal/Zip code' (pre-filled with '8938AS'), 'City' (pre-filled with 'Leeuwarden'), 'Country' (pre-filled with 'Netherlands'), and 'Phone number' (pre-filled with '+31 58 203 83 83'). A 'Next step' button is located at the bottom right. The right sidebar, titled 'Small business', shows the same license and VAT information as the previous page, with a total of '€1506.45 amount due'.

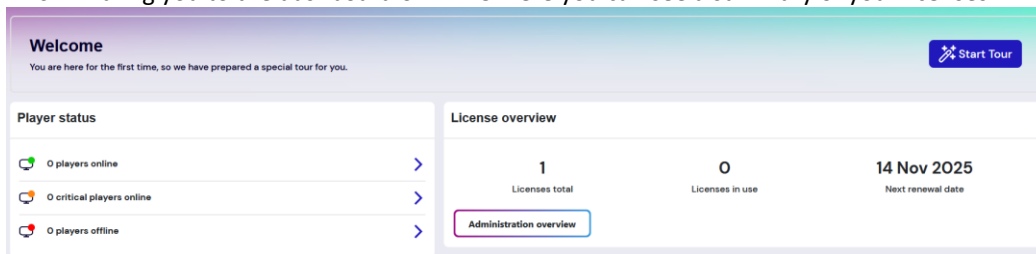

9. The following page will show a 'Pay with Mollie' button, select this to proceed with the payment procedure. There are a few options available to proceed with the payment.

The screenshot shows the payment options page. At the top, it displays 'Blue and Red BV' and the amount '€ 1.506,45'. Below this is the text 'TDM order with ID 20241114000001'. The main section lists three payment methods: 'iDEAL', 'Kaart' (with Visa, Mastercard, and Apple Pay logos), and 'Overboeking'. Each method has a right-pointing arrow. At the bottom, there is a small icon and the text 'Beveiligd en mogelijk gemaakt door mollie'.

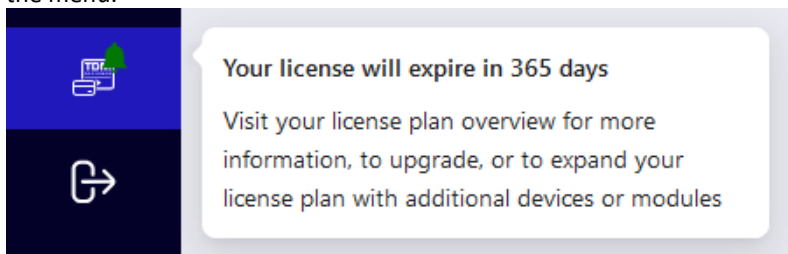

10. You will be redirected to the order page once the payment has completed. From here you can continue to TDM5 by selecting 'Start designing!'

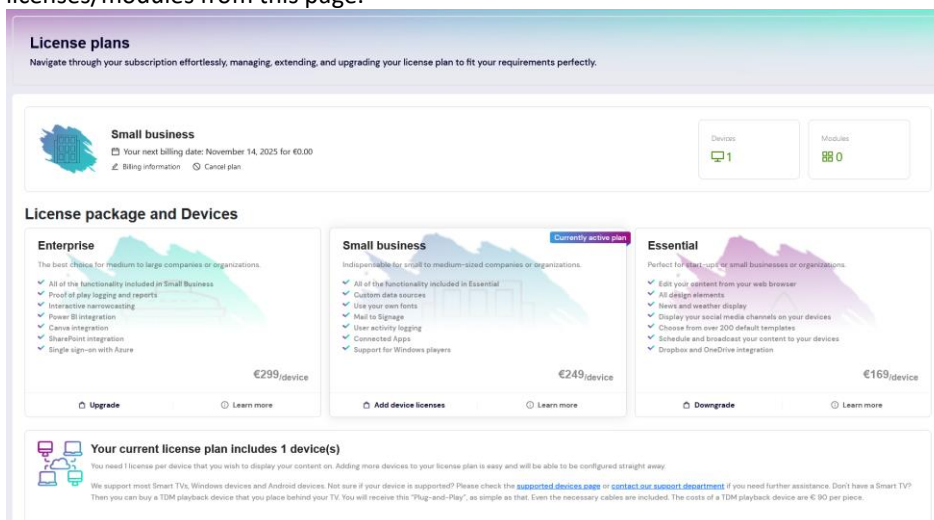

11. This will bring you to the dashboard of TDM5 where you can see a summary of your licenses.

12. You can navigate to 'License Plans' page for more details regarding your licenses. This is located at the bottom left corner of the menu.

13. Here you can see all the details regarding your licenses, you can also upgrade your subscription or order additional licenses/modules from this page.

You have now completed the TDM5 order process, this means you can start using your licenses! Have a look into our knowledge base for any additional manuals.
